

CHAMPIONSHIP AJ RACING PRODUCTS

We've got the Yamaha YZ-80 hop-up equipment that made AJ Whiting Number One in the NMA for two years in a row. And we've got lots of other goodies endorsed by AJ. Like the stuff he's wearing above... MX boots, \$57.95 up to size 5½, \$64.95 for larger; and MX jerseys, \$15. Up front, AJ has his favorite helmet, \$29.95, one of three styles from Shoei up to \$40. Shoei is the official helmet of the California MX Academy. One hand rests on a lightweight Akront alloy rim used on his machines, \$22 front (17"), \$30 rear (16"). On his knee is his favorite back-and-kidney support belt, \$13. Around the picture gallery are: (A) Our own super custom pipe for YZ-80A or 80B, upswept with good leg clearance, a winner

from East to West. Perforated steel heat shield, **guaranteed** to increase power, comes with tuning instructions; (B) California MX Academy (see story in May MCA), six-day summer courses June 23-28; July 7-12 & 21-26; August 4-9 & 18-23. \$175 including meals and lodging; (C) Reed valves ("A" left, "B" right), \$25; (D) "AJ Replica" engine, **exactly** the same as the champ uses. Your engine turned into a winner, includes custom porting; pipe; 24mm carb; special jetting; D-H reed valve; milled head; piston and rings; extra duty clutch springs; nylon sheathed throttle cable; air filter; and labor, parts & tuning; (E) Large bore carb, \$28; (F) Cantilever rear suspension (using your frame & swing arm). Maico design, the best.
