FRONT FORK BRACE

This new brace eliminates front fork flex, stops twisting
of front forks and triple clamps and makes steering very
precise. Your bike will turn precisely no matter how
rough the terrain is. Bolts on in minutes to the triple
clamps. A must for motocross or desert riding.

HOSS DUCK BILL UNIVERSAL FRONT FENDER.

This front fender has a super plus — THE FRONT
FLARES OUT TO A SUPER WIDTH OF 8½". Just the
racer's edge you need when all the others can't see from
dirt, dust or mud on their goggles. Utilizes stock mounts.
Comes complete with fender flap, rubber mounting
washers and best of all, a 1 year guarantee.
