

CH PRODUCT PREVIEW

1979

INDEX

OUT LAST THE COMPETITION!!

We have all seen some of the biggies bite the dust! But we continue to grow and expand, thanks to you our valued dealers. For your continual support, we are very grateful.

We have "weathered the storm" mainly because we direct our business toward YOU THE DEALER and not the consumer. We want you to make a living! Besides this, we offer FREE FREIGHT on orders over \$250.00, superior products and quality parts.

All of our parts are thoroughly tested before their sold and we would like to thank our test riders for this. Thank you Bobby Jones, Rick Miller, Gary Denton, Craig Eggerman, John O'Mara, "Bullit" Ben Theriot, Kevin Jones, and many more.

We wish all of our dealers a very successful 1979! Ride with the best - Ride with CH.

Best regards!

Stanley A. Doerr, President
